|         |        |        |       |         |       |
|---------|--------|--------|-------|---------|-------|
| Length: | ±310mm | Width: | 175mm | Height: | 190mm |
|---------|--------|--------|-------|---------|-------|

- A black box with a light blue lid is used to accommodate 15 mm / 20mm polymer / brass meters & Hexing ZLink Water Meter.
- The Econo Meter box is available with the following:
  - A Base Plate
  - Lockable or Unlockable lid
  - 15mm or 20mm Polymer fittings
  - 15mm or 20mm Polymer Consumer Valve
- The meter box is designed to be installed level with the ground
- All complete Econo Meter Boxes are assembled with fittings and pressure tested for 2 minutes to 24 Bar. This reduces the possibility of undetected leaks.
